## **Second session by directors of the First & specialized show of poultry producers**

The First, experienced show by name of IRAN PLB, 2011, will be held in Alborz province, 24-27 Khordad. This show will be held Contemporary with the week of jihad-e-Agriculture.

It will be supported by jihad-e-agriculture, Deputy of agriculture organization in Alborz province, Bank of Agriculture, society of poultry producers, Association of Drug producers and others.

Directors of this show go forward to promote the Commercial affairs poultry equipments, decreasing fuel and energy usage, and also more exploitation with more production.

## **In current year, For accomplishing targets of the law of Cooperative Bills, which Kind of problems and challenges will our poultry producers and investors be faced with?**

In which way they can confront with these shortages? Which kind of strategies they can choose? Isn't, it a terrible year economically?

All the supposed aspects and targets of this law will automatically cause "the cooperative production" if only it's operated accurately.

Here, Mr. Mansoor Assari, Editorial in chief of "Damparvaran", while confirming this law, evaluates and criticizes the state's operations, its deviation in poultry and agricultural activities, and also this article's writer suggests for societies of agriculture and poultry directors to establish and form national conferences for defining and recalling conditions of deviating from this acceptable law?

## **"Damparvaran" as analytical agricultural magazine has arranged an alive report from SIMA show which celebrated in 20-24 Feb 2011**

This report expresses themes and targets of this grand exhibition. the editorial in chief of "Damparvaran" negotiated with Mrs. Martine Degrement, director of SIMA, SIMA GENA.

In this interview she answered to our reporter as bellow: This show is held every two years and brings together nearly 1300 exhibitors from 41 Countries, attracting more than 200,000 visitors from more than 100 Countries, including 300 foreign delegations, such as "Damparvaran's visitor group.

Mrs. Martine Degrement explained: "the breeding sector of SIM created

In the name of GOD
