

## Does really turnkey control the gigantic of cash money?!

This article is prepared and edited by the head of editorial board of Damparvaran, Mrs. Faranak .Masoudi.

This is a glance to responsibilities of new president in 11th state by means of his KEY for opening all blocked routs in economy, politic, commerce and agriculture.

Mrs. Faranak Masoudi , the editor of this report tells:»we are facing with a gigantic cash money about 200 milliard dollars which is scattered in our country. Where this gigantic will come in, there will be destroyed.

The main act which should be done in 11th state is leading it towards national productivity, especially in agriculture, poultry and husbandry ,gardening,....

Only In this case our existed inflation and economical crisis will be decreased .

## Iran Agro Food 2013 was held with high luminosity 28-31 may 2013

20th International

## SPACE 2013 in Rennes: a record year!

With 3 months still to go, all the signs are for a highly successful SPACE 2013, which will take place from 10 to 13 September, in Rennes-France. This 27th edition promises to be quite exceptional.

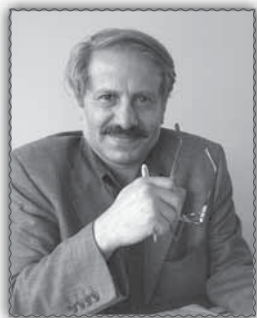

Already in 2012, SPACE had the largest area of exhibition in its history. This year, this record will be beaten again with more than 1 300 exhibitors expected, of which 10% are new.

SPACE has, therefore, become established as the 2nd most important professional exhibition in the world for animal productions.

More than 110 000 visitors are expected during the 4 days of the Show. In 2012, more than 11 000 international visitors coming from 110 countries participated to the Show

## The new selected president and his plans for productivity

In this volume the main article of «DAMPARVARAN» discusses about one of presidential election mottos of Dr. Rohani and asks :»What does it mean priority of productivity specially in the agricultural sectors?How this supporting activity will be acted? And many other questions which are mainly related to productivity and economy construction?The other question refers to «FREE ECONOMY» dispute which is apparently related to political international relations? and then asks:»What>s the plan of Dr. Rohani and his team for solving the temporary problem in Iran/Do they decide to solve the existed problems by operating the «FREE ECONOMY «or the «GOVERNMENTAL INNER\_DIRECTED ECONOMY»?

### Suggested Features of the minister of agriculture

Editorial in chief of Damparvaran ; M. Ansari having experiences in Iran>s agriculture analysis and criticizing the performance of tenth state of Iran is suggesting: «the selected president who is apparently selected with majority people>s vote should one as agricultural minister who has profitable and applicable experience and also being aware of commercial and economical strategies».

Here is mentioned in this article that the ministry of agriculture should necessarily make a balance between national productivity and export of raw materials while we should care to productivity of food for 75 million people in Iran.

### Privately conversation with Dr .I. Kalantari ,having 13 years old experience of agricultural minister

This talking has performed by editorial in chief of Damparvaran . Dr. Kalantari is one of pioneers and important agricultural personality. He has been acted as agricultural minister during 31 years ago: in the fourth state (Mr. Moosavi), in the fifth and sixth state (Mr. Hashemi) and 3 years in the state of Mr. Khatami.

This conversation is prepared in 3 parts. Mr. Kalantari has referred to political situation, fundamental problems of our agriculture and also has represented his own solutions.

In the name of GOD
