

SIMA, 2015 exhibition, The biggest global |Event

SIMA exhibition is held every two years beside SIMA Gen exhibition. An event to show innovations and global technologies in machineries, implements and new irrigation systems that causes significant changes in big farms worldwide.

This exhibition was held in 250,000m²/sq in Villepinte, Paris. Feb. 22-26. In main section all of agricultural machinery and various implements, wood machinery, potato harvesters and crop packings.

In the second section various breedings of meat and milky cows like Limosine, Montebiliard, genetics, and Sheep, animal husbandry equipments and milking were presented. In this exhibition 1300 companies and manufacturers, 2201000, visitors from 104 countries were attended.

60 Individuals from Iran were there, also.

The only magazine that announced about the exhibition was Damparvardn. A deligation from Jihad – e – Keshavarzi Visited all of the sections in 3 days.

More than 40 companies were eager to attend in agriculture sector of Iran.

Can the president compensate the historical Neglects on agriculture sector?

We heard many subjects about agriculture before and after the 11th presidential election by Dr. Hassan Rohani that the appointment of Eng. Mahmood Hojati as the Agriculture Minister showed the importance of agriculture sector for the President. And now, we see to pay the attention on agriculture sector is very important for Dr. Rohani.

In 4th congress in Farmer`s House, he said about the critical condition of agriculture sector, and added: “We acted cruelty with soil, and we have to export our crops to foreign markets”.

He emphasized: We have to active the Water Council and know the worth of every drop of it”

Dr. Rohani, told in a ceremony that was held for superior farmers: “National strength won`t creat without food security and we try to do it”.

Again Rising.....

Wheat guaranteed Purchase by Bank – Keshavarzi after 10 years

According to a spontaneous decision in 2006 (1385), wheat purchasing was devolved from Bank keshavarzi to Bank Mellat, a decision that was deceitful. Those determiners claimed that Bank Keshvarzi had not Possibilities to transfer the money to far regions, or initially it withdraw the sums of the loans that were paid to farmers.

Now, after 10 years, the Payment of the money to farmer is devolved to Bank Keshavarzi again, and according to Dr. Shahidzadeh, managing director of Ban Keshavarzi, all of the previous problems are desolved and the payments are on – line.

Therefore, We can say: an new rising is occured in the agriculture and can embrace it as a national effort.

Analyzing the deeds in 1393 and the Current year by central organization of Rural Cooperation

Hossain Safaee, minister assistant and General Director of Central organization of Rural Cooperation analyzed the deeds of 2014 (1393) and Current year Priorities.

He addressed to renewing the management in agriculture and to develop the cooperatives. Now, about 80% of farmers are the members of coopratives, but only 20% are activ out of this network.

He added: 4 types of cooperatives are in agriculture sector: 1 – Rural cooperatives, 2- Agriculture production cooperatives, 3- Agricultural shared cooperatives and 4- special cooperatives. H. Safaee declared: We programmed in 2014 (1393) to deliver a section of agricultural crops market to cooperatives, so 20,000 bilion Rils were allocated to this plan.

About the plans in current year he said: We decided to do some of dealings through stock exchange. And about consolidation of farms added: this law had been surveyed from 2001 to 2014 (1380 to 1393) but it approved in the end of 2014 (1393). According this law Jihad – e – Keshavarzi ministry is permitted to Consolidate two third of cooperatives members, farms.
