Regulating the Market before and after crops produce

Eng. Hosein Safaee, Director Manager of Rural cooperation organization in an interview said: This organization has formations in the fareset villages, so can have key role in regulating the market of agriculture crops.

He added: We bought corn in khoozestan and barley in Kermanshah proviencies in guaranteed prices that achieved good results and the farmer were satisfied.

He announced: We try to develop the relations between agriculture and stock exchange.

Important Agriculture Events in the last year

This issue; Poultry

The writer of these series criticized the reports about agriculture and divided them in 6 parts. In this issue he pays to poultry section and its problems.

In last year, inputs prices such as corn, soy meal and others were relatively fixed but the poultry price fricouently had many flatuations. Writer forecaseted after removing the sanctions, the economical recession will decline and buying power will increase.

In this essay anticipated that the poultry industry situation will be better and customers use more poultry meat.

Editorial:

Separation law, a Knife Whitout Haft

According to the crisis in agricultural crops markets about 10 Years ago, and the delirious imports, the separation law or efficient increasing law approved 5 years ago by parliament. After that approval, some duties transfered from industry, mine and Trade ministry to agriculture ministry. But after that, this law was not executed, because in has not enough tools for execution.

One reason that caused this situation is the ownership sense in the past market custodians, therefore the agriculture Ministry can not do its duties.

All of the agriculture sector and the farmers have many requests about their products, markets, import and export and export and soon. But the separation law is like a knife without haft

Emphasis on developpe Green Houses

Eng. Tahmasbi, gardening assistant of agriculture ministry said: more than 400 green house projects at 5,000 billion Rls. Were requested to establish in 2015 (1393).

Fisheries Produce in sea waters

Mehdi Khalaj, director of Veterinary organization said: according to water shortage, we have to produce fisheries in sea waters. Yearly, we produce 946,000 tons. fisheries that 371,000 tons in pools and 575,000 are from sea waters.

Empowering Ardebil Rural Families, accepted in Komesk Commitee in Turkey

Adil Sarvi, Ardebil agriculture organization Manager Said: The suggestion to empowering the Ardebil rural families was approved for the first time by Islamic Cooperation organization.
