

Eng Mohammad Reza Raiesi – Nejad: Rural and Agriculture Cooperation central Union is Powerful to regulate the crop market

Raiesi – Nejad in an interview said: according to subject no. 33 of “efficiency increasing law”, jihad keshavarzi ministry is the responsible of the market before and after the production And central union of rural cooperation has an important role to improve the inputs and to purchase the crops after the production. He added: improving all of the farmers` needs is an indicator in “resistant economy” direction. About food security, he told, if produce and providing the fertilizers will given over to this Union, the production process and final crop costs will be better.

He pointed to achieve the food security from domestic sources and said: the market of agricultural crops must be steady. About foreign investment, Raiesi Nejad told: We have recalled to Russia, Germany and so others to invest in Iran.

23th International Exhibition of AGROFOOD As the most effective and profitable in food industry development

Its for the 3th time carried on the 23th International Exhibition of Food Industries and related to machineries as known : IRAN, AGRO FOOD, 10- 13 Khordad 1395 equal 30 May – 2 June 2016.

It`s obviously referring to its highly effective and excellent impression on technology of infrastructures of this grand industry, packaging methods, dairy production processes and all related with industries, too.

This grand event has been acted as crosspoint of the newest technologies of developed countries such as Germany with Iranian producers.

This profitable and the most effective exhibition has been executed perfectly in International site center in Tehran during 23 years ago.

Tranquillity in Market, Producers Loses

Last year, some of the government antagonists tried to pretend the rising the prices of fruites in Nowrooz days is a great reason to uncapability of the government. But, in 2016(1394) jihad keshavarzi ministry stored huge amounts of fruites, poultry meat and egg to regulate the market all over the country.

Good storage, ambient controlling, plenty of goods, in time distribution and suitable costs made a calm and confident condition for people. Jihad keshavarzi ministry could regulate the market to make benefit to consumers.

But is the market Unilateral?

Government could keep the poultry meat price rate between 51,000, to 54,000 Rls. But many of poultry producers Suffered high looses because of this action. Now, high amounts of fruites and poultry have remained in cool stores, and the jihad keshavarzi ministry must make decisions for them.

Specialized Bank With National Responsibilities

Dr. Morteza shahid – zadeh, executive Director of Bank Keshavarzi, told in the Nowrooz message Congratulation to his fellows:

In 1394(2016), we powerfully have done the wheat guaranteed purchase and other strategic crops.

Successful execution of 66th “APRACA” international forum by Bank Keshavarzi in the moto of empowerment the Rural women, was an opportunity to interchanging the expriments in international level. Also, we made close relations with prominent farmers and emphasized on use the new technologies.

Core banking to develop electronic banking was one the sole possibilities that improved by Bank Keshavarzi in 1394.

Financial and expertly supports for Fish farming in the sea, establishing green – houses, and coopration in rural irrigation complexes were another actions of Bank Keshavarzi in 1394.
